## A. You Needed Me

### Bible ref:

You, who made me stare trouble in the face,

## B. No Matter What

### Bible ref:

Can anything ever separate us from Christ's love? Does it mean he no longer loves us if we have trouble or calamity, or are persecuted, or hungry, or destitute, or in danger, or threatened with death? No, despite all these things, overwhelming victory is ours through Christ, who loved us.

Romans 8 v35-37

### C. You Raise Me Up lyrics

**Bible ref:**

He gives strength to the weary  
and increases the power of the weak.  
Even youths grow tired and weary,

They will soar on wings like eagles;  
they will run and not grow weary,  
they will walk and not be faint.

## I. It's A Sin lyrics

### Bible ref:

We are made right with God by placing our faith in Jesus Christ. And this is true for everyone who believes, no matter who we are. For everyone has sinned; we all fall short of God's glorious standard. Yet God, with undeserved kindness, declares that we are righteous. He did this through Christ Jesus when he freed us from the penalty for our sins.

Romans 3v22-24

### Lyrics:

<p>And you asked me what I want this year and I try to make this kind and clear just a chance that maybe we'll find better days 'cause I don't need boxes wrapped in strings and designer love and empty things just a chance that maybe we'll find better days</p> <p>So take these words and sing out loud 'cause everyone is forgiven now 'cause tonight's the night the world begins again</p> <p>I need some place simple where we could live and something only you can give and that's faith and trust and peace while we're alive and the one poor child who saved this world and there's ten million more who probably could if we all just stopped and said a prayer for them</p>	<p>So take these words and sing out loud 'cause everyone is forgiven now 'cause tonight's the night the world begins again</p> <p>I wish everyone was loved tonight and somehow stop this endless fight just a chance that maybe we'll find better days</p> <p>So take these words and sing out loud 'cause everyone is forgiven now 'cause tonight's the night the world begins again</p> <p>'cause tonight's the night the world begins again</p>

### Lyrics:

<p>I've been jumping from the tops of buildings For the thrill of the fall, ignoring sound advice and any thought of consequence My bones have shattered, my pride is shattered And in the midst of this self inflicted pain, I can see my beautiful rescue</p> <p>I'm falling more in love with every single word I withhold I'm falling more in love with every single word you say I'm falling head over heels for you...</p> <p>I've been dancing on the tops of buildings At the top of my lungs I'm singing you a song "don't you leave me alone" My bones are shattered, my pride lay shattered Well I'll trample my pride and tell the whole world to dance with me</p>	<p>I'm falling more in love with every single word I withhold I'm falling more in love with every single word you say I'm falling head over heels for you again.</p> <p>Well I'm crying out, wash my hands these bloody hands Lord, Open my mouth and I'll sing, woah oh oh oh.</p> <p>I'm falling more in love with every single word I withhold I'm falling more in love with every single word you say I'm falling head over heels for you.</p> <p>I've been dancing on the tops of buildings, with you.</p>

I'm 15 for a moment Caught in between 10 and 20 And I'm just dreaming Counting the ways to where you are I'm 22 for a moment She feels better than ever And we're on fire Making our way back from Mars 15 there's still time for you Time to buy and time to lose 15, there's never a wish better than this When you only got 100 years to live I'm 33 for a moment Still the man, but you see I'm a they A kid on the way A family on my mind I'm 45 for a moment The sea is high And I'm heading into a crisis Chasing the years of my life	15 there's still time for you Time to buy, Time to lose yourself Within a morning star 15 I'm all right with you 15, there's never a wish better than this When you only got 100 years to live Half time goes by Suddenly you're wise Another blink of an eye 67 is gone The sun is getting high We're moving on... I'm 99 for a moment Dying for just another moment And I'm just dreaming Counting the ways to where you are 15 there's still time for you 22 I feel her too 33 you're on your way Every day's a new day... 15 there's still time for you Time to buy and time to choose Hey 15, there's never a wish better than this When you only got 100 years to live.

### Lyrics:

Many nights we prayed With no proof anyone could hear In our hearts a hope for a song We barely understood  Now we are not afraid Although we know there's much to fear We were moving mountains Long before we knew we could, whoa, yes  There can be miracles When you believe Though hope is frail It's hard to kill  Who knows what miracles You can achieve When you believe somehow you will You will when you believe  [Mmm...mmm...mmm...yeah] Mmm...yeah...  In this time of fear When prayer so often proves in vain Hope seems like the summer bird Too swiftly flown away  Yet now I'm standing here My heart's so full, I can't explain Seeking faith and speakin' words I never thought I'd say  There can be miracles When you believe (When you believe) Though hope is frail It's hard to kill (Mmm)	Who knows what miracles You can achieve (You can achieve) When you believe somehow you will You will when you believe  [Hey...] [Ooh...]  They don't know it's often when you ask, uh And it's easy to give in to your fear, uh [Oh] But when you're blind you find your pain Can see or wake me through the rain ???Boy, am I still resilient voice??? Says love is the relief, oh... [Oh...]  There can be miracles (Miracles) When you believe (Boy, when you believe, yeah) [Though hope is frail] Though hope is frail [It's hard] It's hard to kill (Hard to kill, oh, yeah)  Who knows what miracles You can achieve (You can achieve, oh...) When you believe somehow you will (Somehow, somehow, somehow) Somehow you will (I know, I know, know) You will when you believe [When you] (Oh...oh...) [You will when you] (You will when you believe) [Ooh...ooh...ooh...] [Oh...oh...] [When you believe] [When you believe]

### Lyrics:

<p>When you're down and troubled and you need a helping hand and nothing whoa nothing is going right. Close your eyes and think of me and soon I will be there to brighten up even your darkest nights.</p> <p>You just call out my name and you know wherever I am I'll come running oh yeah baby to see you again. Winter spring summer or fall all you have to do is call and I'll be there yeah yeah yeah. You've got a friend.</p> <p>If the sky above you should turn dark and full of clouds and that old north wind should begin to blow Keep your head together and call my name out loud and soon I will be knocking upon your door. You just call out my name and you know where ever I am I'll come running to see you again. Winter, spring, summer or fall all you got to do is call and I'll be there, yeah, yeah, yeah.</p>	<p>Hey, ain't it good to know that you've got a friend? People can be so cold. They'll hurt you and desert you. Well they'll take your soul if you let them. Oh yeah, but don't you let them.</p> <p>You just call out my name and you know wherever I am I'll come running to see you again. Oh babe, don't you know that, Winter spring summer or fall, Hey now, all you've got to do is call. Lord, I'll be there, yes I will. You've got a friend. You've got a friend. Ain't it good to know you've got a friend. Ain't it good to know you've got a friend. You've got a friend</p>

### Lyrics:

<p>I've got it all, but I feel so deprived I go up, I come down and I'm emptier inside Tell me what is this thing that I feel like I'm missing And why can't I let it go</p> <p>[Chorus] There's gotta be more to life... Than chasing down every temporary high to satisfy me Cause the more that I'm... Tripping out thinking there must be more to life Well it's life, but I'm sure... there's gotta be more Than wanting more</p>	<p>I've got the time and I'm wasting it slowly Here in this moment I'm half way out the door Onto the next thing, I'm searching for something that's missing</p> <p>[repeat chorus]</p> <p>i'm wanting more I'm always waiting on something other than this Why am I feelin' like there's something I missed.....</p> <p>[repeat chorus x2]</p>
